

Directions to the Center for Advanced Human Brain Imaging Research CAHBIR

CAHBIR

CENTER FOR ADVANCED HUMAN
BRAIN IMAGING RESEARCH

RUTGERS

Brain Health Institute

If you are using GPS navigation, please use Google Maps and search for the name “Center for Advanced Human Brain Imaging Research” and navigate to the center – not the address of the center. Navigating to the address will bring you to the wrong place, where there is no parking available. No other GPS system will bring you to the correct location, and you will likely end up in the wrong place without parking, and it is more than a mile to reroute to the parking lot from there. This is the link to CAHBIR on Google Maps that will work:

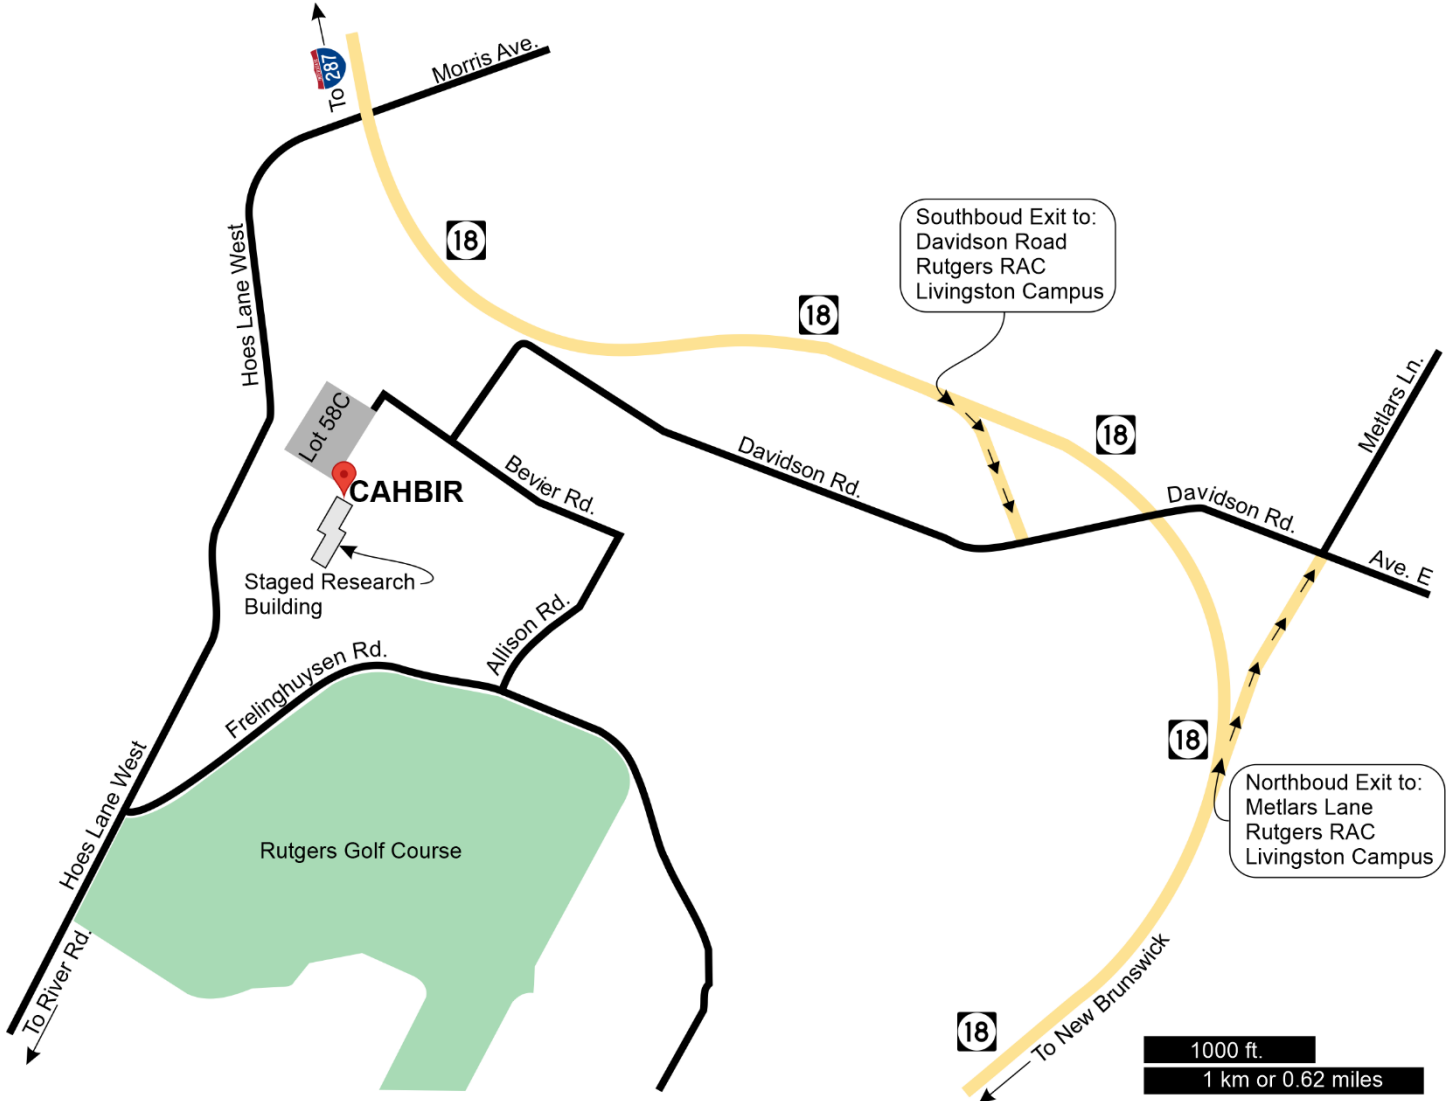

<https://go.rutgers.edu/map-to-CAHBIR>

If you prefer to use traditional maps, there is one on the next page, and in the pages that follow that, you will find directions to CAHBIR with street view photos given from four directions:

- Approaching southbound on Route 18
- Approaching northbound on Route 18
- Approaching southbound on Metlars Lane
- Approaching from River Road

Please be sure to use the correct one, and if printing, please print only the page(s) you need to conserve paper.

Driving Map to CAHBIR

Approaching southbound on Route 18

Use the exit for Davidson Rd, Rutgers RAC, Livingston Campus and turn right at the stoplight onto Davidson Rd.

Continue on Davidson Road for a half mile through this lefthand curve in the road.

After the curve in the previous step continue for 1,000 feet (approximately 300 meters), take a right turn at the stop sign.

Continue for 500 feet (approximately 150 meters) to the end of the road, and take a left into parking lot 58C. The lot is marked with this sign at the end of Bevier Rd, just before the left turn into the lot.

In the corner of the parking lot closest to the Staged Research Building, there are five parking spaces reserved for CAHBIR. Feel free to park in any of them. We sometimes use traffic cones to guard the spaces when parking is tight. If there happens to be a traffic cone in the space, you may move it to the sidewalk so you can park.

Approaching northbound on Route 18 from New Brunswick

Use the exit for Metlars Ln, Rutgers RAC, Livingston Campus and turn left at the stoplight onto Davidson Rd.

Continue on Davidson Road for $\frac{3}{4}$ mile (approximately 1 $\frac{1}{4}$ kilometers) through this lefthand curve in the road.

After the curve in the previous step continue for 1,000 feet (approximately 300 meters), take a right turn at the stop sign.

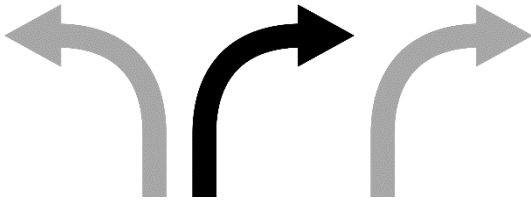

Continue for 500 feet (approximately 150 meters) to the end of the road, and take a left into parking lot 58C. There is no sign for the parking lot.

In the corner of the parking lot closest to the Staged Research Building, there are five parking spaces reserved for CAHBIR. Feel free to park in any of them. We sometimes use traffic cones to guard the spaces when parking is tight. If there happens to be a traffic cone in the space, you may move it to the sidewalk so you can park.

Approaching southbound of Metlars Lane

Using the center lane, turn right at the stoplight onto Davidson Rd.

Continue on Davidson Rd for $\frac{3}{4}$ mile (approximately $1\frac{1}{4}$ kilometers) through this lefthand curve in the road.

After the curve in the previous step continue for 1,000 feet (approximately 300 meters), take a right turn at the stop sign.

Continue for 500 feet (approximately 150 meters) to the end of the road, and take a left into parking lot 58C. The lot is marked with this sign at the end of Bevier Rd, just before the left turn into the lot.

We sometimes use traffic cones to guard the spaces when parking is tight. If there happens to be a traffic cone in the space, you may move it to the sidewalk so you can park.

Approaching on River Road

Turn onto Hoes Lane West, continue for ½ mile (approximately ¾ kilometer) and turn right immediately after the golf course clubhouse onto Frelinghuysen Road.

Continue on Frelinghuysen Rd for ½ mile (approximately ¾ kilometer) and take a left turn onto Allison Road.

Continue on Allison Rd for ¼ mile (approximately 400 meters) and take a left turn onto Bevier Road at the stop sign.

Continue for 500 feet (approximately 150 meters) to the end of the road, and take a left into parking lot 58C. The lot is marked with this sign at the end of Bevier Rd, just before the left turn into the lot.
