

**CASS Panel Discussion:  
“MAPPING THE FUTURE: Interdisciplinary  
Opportunities for the Study of AI and  
Machine Learning”**

Join us for an engaging panel discussion, "MAPPING THE FUTURE: Interdisciplinary Opportunities for the Study of AI and Machine Learning."

This event focuses on the challenges and opportunities of developing a long-term ML vision at Rutgers. Our experts will explore the integration of machine learning in education and research. The discussion will be led by **Dr. Lauren Goodlad**, Distinguished Professor, Department of English, and **Dr. Matthew Stone**, Professor, Computer Science Dept.

**Date: Friday, January 26, 2024**

**Time: 12:00 - 1:00 pm**

**Location: 701 CoRE Building (Busch Campus)**

Boxed lunches will be available.
