UMDNJ- Robert Wood Johnson Medical School	MD	1999	Medicine
Robert Wood Johnson University Hospital	Resident	1999	Internship/Residency - General Surgery

A. Personal Statement

I am a Physician with the RWJBarnbas Health Steeplechase Breast Specialist and attending surgeon at Somerset Medical Center. I completed my undergraduate degree at John Hopkins University and earned my medical degree from UMDNJ- Robert Wood Johnson Medical School. Following my internal medicine internship, I accomplished residency training in general surgery at Robert Wood Johnson University Hospital. I have considerable experience in breast cancer and oncology care. I am committed to ensuring patients receive the best treatments delivered in the best ways, and to use better research-driven strategies to protect and preserve the health of survivors.

B. Positions, Scientific Appointments and Honors

Positions and Scientific Appointments

2023 - Physician, Steeplechase Breast Specialist, RWJBarnabas Health
 2002 - Attending Surgeon, Somerset Medical Center
 1999 - 2002 Clinical Evaluator, NJ State Disability Program
 1999 - 2002 Surgeon, Muhlenberg Medical Center/JFK Medical Center
 1993 - 1993 Candidate, American College of Surgeons
 1993 - 1993 Member, American Medical Association

C. Contribution to Science

- I am a member of the Clinical Investigations and Precision Therapeutics (CIPT) Program at the Rutgers Cancer Institute of New Jersey. The Overall Goals of the Clinical Investigations and Precision Therapeutics (CIPT) Program are to 1) translate outstanding science across the Cancer Center into early phase trials, 2) develop novel diagnostic, prevention, and therapeutic strategies; and 3) promote bidirectional translation from bench to bedside and back. I serve as the PI on the study: Axillary Reverse Mapping, - A Prospective Trial To Study Rates Of Lymphedema And Regional Recurrence After Sentinel Lymph Node Biopsy And Sentinel Lymph Node Biopsy Followed By Axillary Lymph Node Dissection With And Without Axillary Reverse Mapping.
