

## BIOGRAPHICAL SKETCH

Provide the following information for the Senior/key personnel and other significant contributors.  
Follow this format for each person. **DO NOT EXCEED FIVE PAGES.**

NAME: Weiner, Joseph

eRA COMMONS USER NAME (credential, e.g., agency login):

POSITION TITLE: Assistant Professor, Department of Radiology

EDUCATION/TRAINING (*Begin with baccalaureate or other initial professional education, such as nursing, include postdoctoral training and residency training if applicable. Add/delete rows as necessary.*)

INSTITUTION AND LOCATION	DEGREE (if applicable)	END DATE MM/YYYY	FIELD OF STUDY
Tufts University, Medford, MA	BS	2006	Physics
Rutgers University, New Jersey Medical School, Newark, NJ	MD	2011	Medicine
Drexel University College of Medicine/Hahnemann University Hospital , Philadelphia, PA	Resident	2012	Internal Medicine
SUNY Downstate Medical Center, Brooklyn, NY	Resident	2016	Radiation Oncology
Stanford University, Stanford, CA	Fellow	2017	Radiation Oncology

### A. Personal Statement

Dr. Joseph P. Weiner is a radiation oncologist in Summit, New Jersey and is affiliated with multiple hospitals in the area, including Jersey City Medical Center and University Hospital-Newark. He received his medical degree from Rutgers New Jersey Medical School and has been in practice between 11-20 years. Radiation oncologists treat cancer using various forms of radiation to detect and kill malignant cells. Radiation therapy is often combined with other modes of treatment, especially surgery and chemotherapy.

### B. Positions, Scientific Appointments and Honors

#### Positions and Scientific Appointments

2017 - Assistant Professor, Rutgers University (School of Medicine), Department of Radiation Oncology, New Brunswick, NJ

#### Honors

2017 Malcom Bagshaw Award, Stanford University  
 2016 Clinical Teaching Honors Schola, Stanford University  
 2016 High-Dose Rate Brachytherapy Schola, American Brachytherapy Society  
 2016 Thesis Honors , Tufts University  
 2015 Chief Resident, Department of Radiation Oncology, SUNY Downstate Medical Center  
 2014 Resident of the Year, Kings County Medical Center  
 2011 Gold Humanism Honor Society, Rutgers, New Jersey Medical School  
 2008 Medical Student Research Fellowship, Medical Physics , Memorial Sloan Kettering Cancer Center

### C. Contribution to Science

1. As a faculty member at the Rutgers Cancer Center of New Jersey in the Radiation Oncology team, performing new patient consultations, on-treatment encounters and follow-up appointments for patients at Rutgers University in the Department of Radiation Oncology. This encompasses all aspects of patient care including supervision of patient simulation, target/organ contouring, dosimetric evaluation, proper treatment delivery, management of acute/chronic side effects, and effective communication with patients, their

surrogates and the referring physicians. Additional responsibilities include resident education and clinical research.

#### TEACHING RESPONSIBILITIES:

A. Lectures or Course Directorships SUNY Downstate Medical Center, Resident Physician Clinical Didactics Course Co-Director, Various topics SUNY Downstate Medical Center, Resident Radiation Biology Didactics, Various topics, Stanford University, Resident Didactic Guest Lecturer

#### 2. Professional (Clinical) Publications:

1. Wong A, Schwartz D, Safdieh J, Weiner J , Choi Kwang, Schreiber D. Adjuvant radiation with hormonal therapy is associated with improved survival for men with pathologically involved lymph nodes following radical surgery for prostate cancer. Oral Presentation: ASTRO 2016, 58th Annual Meeting; 2016 Sept 25-28; Boston, M A.
2. Wong A, Schwartz D, Safdieh J, Weiner J , Choi Kwang, Schreiber D. Utilization of adjuvant therapies and their impact on survival for women with stage IIIC endometrial adenocarcinoma. Oral Presentation: ASTRO 2016, 58th Annual Meeting; 2016 Sept 25-28; Boston, MA.
3. Weiner J , Shao M , Wong A, Schwartz D, Schreiber D. Patterns of Care and Survival Outcomes in the Treatment o f Esophageal Melanoma. Oral Presentation: American Radium Society 2015, Annual Meeting; 2016 April 16-19; Philadelphia, PA.
4. Wong A, Weiner J , Safdieh J, Schwartz D, Schreiber D. Impact of Adjuvant Radiation Therapy on Overall Survival for Stage 1 Endometrial Cancer in a Large Hospital-Based Cohort. Oral Presentation: American Radium Society 2015, Annual Meeting; 2016 April 16-19; Philadelphia, PA.
