Dr. Michael Herbig

Michael Herbig is co-founder and CEO of RaDes GmbH, Hamburg, Germany, a service provider for development & analytics of liquid and semi-solid formulations. Prior to that, he was Head of Pharmaceutical Development at Almirall Hermal, and held positions of increasing responsibility in pre-formulation and pharmaceutical development at Novartis, Basel, Switzerland. One focus of his work is the "rational design" of semi-solid and liquid formulations for topical use. He has authored many peer-reviewed publications in the field of formulation design and characterization, in vitro performance models, and characterization of complex excipients, and is co-inventor of several formulation patents. He studied pharmaceutical sciences at the university of Wurzburg, Germany, and holds a PhD in drug delivery & formulation from the Swiss Federal Institute of Technology (ETH) Zurich, Switzerland, and an MBA from OUBS, UK.
