

# GUARDIANS OF THE FOOD GALAXY

## LESSON 5

NAME: \_\_\_\_\_ DATE: \_\_\_\_\_

# VIDEO GUIDE

Using the worksheet, answer the following questions.

1- What does the term 'food system' mean?

---

---

---

2- What are some resources/inputs that are used in the food system?

---

---

---

3- List a few stages of the food system.

---

---

---

---

---

---

# eLearning Game: The Food System

Fill in the stages of the food system as you play eLearning Game.

NAME: \_\_\_\_\_ DATE: \_\_\_\_\_

# THE FOOD SYSTEM

**Directions:** You are assigned a food. Talk about the process of how this food started and the journey it took to become something we eat. As a group, identify 2 inputs/resources and 2 outputs for each stage. Complete the **Environmental Impacts** column after Lesson 13.

WHAT FOOD ARE YOU ASSIGNED? \_\_\_\_\_
