**RE: Undergraduate Updates
SPECIAL EVENTS EDITION!**

Dear BME Undergraduates,

I hope the semester is off to a good start, and that everyone is enjoying being back on campus! I look forward to meeting many more of you in person!

There are several great events coming up that are being planned by a variety of clubs and organizations!

NETWORK WITH STRYKER!

This Thursday, **February 10th, from 7:30 to 9pm** at the **Richard Weeks Hall of Engineering**, BME is hosting **Off the Clock Connect with Stryker Corporation**, a multinational medical technologies company with offices all across the country looking to hire interns, co-ops, and full-time graduates. There will be a presentation, demos, personal stories, Q&A, networking and even a raffle.

In-person spots are limited, so please RSVP your seat before we run out of space: <https://go.rutgers.edu/2yibi0y3>

To accommodate students who cannot attend in-person, it will be live-streamed on Zoom (<https://go.rutgers.edu/b2mdgev6>) to make the event accessible for everyone.
