

REQUEST FOR DELETION OF A GRADE OF "D" or "F" FROM THE GRADE-POINT AVERAGE

With the permission of the department (required for School 07 courses) a student may repeat a course taken at Rutgers University in which a grade of "D" or "F" was earned. If the grade is improved, the student may request that the original grade be deleted from the cumulative grade-point average. The original grade of "D" or "F" will, however, remain on the transcript. The repeated course must be taken at Rutgers.

This option may be used only once for a given course. If a student fails a course a second time, only the second "D" or "F" will be computed into the cumulative average.

This action can only be completed for a maximum of 16 credits, in *no more* than four courses.

For Theater Arts Majors, this regulation applies only to liberal arts courses.
