Bachelor of Music: Jazz Studies - Music Education Instrumental Double Concentration Requirement Notes

- + Completing a double concentration requires additional coursework and credits beyond the 120 credits required for graduation.
- ^^ Registration in Music Assembly is required in every semester of registration in Applied Major Lessons.
- < Students must follow the music and Liberal Arts course requirements in effect at the time of the student's initial year of enrollment.
- * A 60-minute Jazz Senior Recital is required for graduation. The senior recital cannot be scheduled if a student has a grade of Unsatisfactory in any semester of *Music Assembly*.
- ** All Bachelor of Music students (with the exception of classical piano and organ performance majors) must take the Piano Proficiency Exam by the end of the 2nd year and must pass the exam in order to graduate. Courses in piano are available to prepare students for this examination.
- *** Percussion majors are not required to take *Percussion Techniques*. They must substitute an additional (third) secondary lesson.
- ~ Jazz Majors registered for *Keyboard Harmony* may take a proficiency exam with the possibility of attaining a "Keyboard Level II" class status. The Level II status involves different course requirements. Details will be provided by the instructor.
- > *Intro to Jazz Improvisation* is a required course for all Jazz majors.
- ^ These courses require field experience.
- (^) *Inclusive Learning in Music* (07:700:389) must be taken in conjunction with one of the following courses that include Field Placement: 700:381, 382, 384, or 484.
- ° These courses—along with *College Writing*, 12 credits of Liberal Arts coursework with a GPA of 3.00 or higher, and passing the piano proficiency exam—should be completed before the Music Education Advisory Review (MEAR). The Praxis Core Exam must be completed before MEAR (unless exempt).
- ++ It is recommended that students complete this course before the MEAR.
- # To enroll in these courses, students must have completed the MEAR successfully, and have been admitted into the Music Education Professional Sequence (MEPS).
- ## All degree requirements, Piano Proficiency Exam, and non-credit teaching certification requirements must be complete before *Clinical Practice II* placements are approved. Students may not be registered for any other courses during the semester in which they are registered for *Clinical Practice II* unless pre-approved by the Coordinator of Field Placements.
- & This Liberal Arts course requirement can be satisfied by these specific courses, or by any Infant/Child or Adolescent Developmental Psychology course approved for transfer credit by the Psychology Department or by MGSA.
