**Bachelor of Music: Music Education Vocal/General – Performance Double Concentration (Piano Majors)
Requirement Notes**

- + Completing a double concentration requires additional coursework and credits beyond the 120 credits required for graduation.
- ^^ *Registration in Music Assembly is required in every semester of registration in Applied Major Lessons.*
- < Students must follow the music and Liberal Arts course requirements in effect at the time of the student's initial year of enrollment.
- * A 60-minute Senior Recital is required for graduation. The senior recital cannot be scheduled if a student has a grade of Unsatisfactory in any semester of *Music Assembly*.
- ** All Bachelor of Music students (with the exception of classical piano majors) must take the Piano Proficiency Exam by the end of the 2nd year and must pass the exam in order to graduate. Courses in piano are available to prepare students for this examination.
- *** Music Ed Vocal/General - Performance (Piano) Double Majors are required to take 4 semesters of Chamber Music. The Chamber Music requirement may be satisfied by *Chamber Music* (701:355, 356, 455, 456), *Opera Workshop*, *Diction for Singers*, or by one of the small ensembles listed in the Music Undergraduate Handbook.
- (+) Piano majors in this concentration must take 1 semester of *Diction for Singers* (701:201), which satisfies one term of chamber music.
- ~ *Pedagogy* is a two-semester requirement.
- ^ These courses require field experience.
- (^) *Inclusive Learning in Music* (07:700:389) must be taken in conjunction with one of the following courses that include Field Placement: 700:381, 382, 384, or 484.
- = Placement opportunities for piano majors in instrumental large ensembles are extremely limited; therefore, while piano majors may audition for any large ensemble, they must audition for choir. Specific choir audition times are posted each semester.
- ° These courses—along with *College Writing*, 12 credits of Liberal Arts coursework with a GPA of 3.00 or higher, and passing the Piano Proficiency Exam—should be completed before the Music Education Advisory Review (MEAR). The Praxis Core Exam must be completed before MEAR (unless exempt).
- ++ It is recommended that students complete this course before the MEAR.
- # To enroll in these courses, students must have completed the MEAR successfully, and have been admitted into the Music Education Professional Sequence (MEPS).
- ## All degree requirements must be complete before *Clinical Practice II* (student teacher) placements are approved. Students may not be registered for any other courses during the semester in which they student teach unless pre-approved by the Coordinator of Field Placements.
- & This Liberal Arts course requirement can be satisfied by these specific courses, or by any Infant/Child or Adolescent Developmental Psychology course approved for transfer credit by the Psychology Department or by MGSA.
