## Music Education Vocal/General - Performance Double Concentration Notes

- Students must refer to the Requirement Checklist for each concentration for a complete list of all required courses. The Sample Schedule indicates a distribution that works in terms of avoiding scheduling conflicts and should not be used as a Requirement Checklist. Some music courses in the Sample Schedule may be taken in other semesters, however, any changes to the suggested distribution must be discussed with and approved by your advisor. Please note that not all courses are offered every semester or every year.
- College Writing* (01:355:101) is required and must be taken in the Fall semester of the first year of enrollment. The initial writing placement is determined by a Basic Skills test. Students who are placed in a lower-level writing course **must** take that course in the Fall semester of the first year. Students who do not pass a level of the required writing course(s) must complete that level in the immediate next semester of enrollment. s who do not pass a level of the required writing course(s) must complete that level in the immediate next semester of enrollment.
- It is recommended that the required Liberal Arts Math course be completed in the first year.
- The required Liberal Arts courses are shown here as ten 3-credit courses, distributed for balance among the semesters before *Clinical Practice II*. Other distributions are possible, and many Music Education majors decide to take some of these courses in the summer.
- Music in Historical & Cultural Context Elective* may be taken in the third or fourth year of study. The specific semester will be determined by when each course best fits in each student's schedule.
- Students may satisfy the *Music in Historical & Cultural Context Elective* requirement with *Special Studies in Music History* (700:419 or 700:420) or with any of the following courses (see list of courses in the requirement checklist note).
- Choral Music Education Lab I* (700:287) and *Choral Music Education Lab II* (700:387) are offered in the fall semester of even-numbered years. 287 is taken in either the first or second year of study; 387 is taken in the third or fourth year of study.
- Methods & Materials for General Music Education* (700:381) is taken in the fall semester of the third year, and *Methods & Materials for Choral Music Education* (700:382) is taken in the spring semester of the third year.
- Piano majors in performance are required to take a minimum of two semesters of *Art of Accompanying* (07:701:351-352) and two semesters of *Studio Accompaniment* (07:701:451-452). Once a minimum of 4 semesters of Large Ensemble have been fulfilled, these four semesters may be counted towards either the large ensemble requirement or the chamber music requirement.
- Pedagogy* is a two-semester requirement:  
Voice majors: Voice Pedagogy (701:415-416) Piano majors: Piano Pedagogy (07:701:459-460)
- Vocal Coaching* is required in the 3<sup>rd</sup> and 4<sup>th</sup> years. For those who enrolled prior to Fall 2018, these courses may fulfill elective credit.
