

Volunteers Needed for Research Study on HIV Testing in the Emergency Department.

Are you a staff nurse in the emergency department (ED)? You may be eligible for a 45-minute survey about ED nurses' perspectives and experience with performing HIV testing in the ED.

You May Qualify If You

- Are 18 or older
- Are an LPN, LVN, or RN
- Work as a staff nurse in the ED
- Work in the United States

Potential Benefits

Participating in this study may help us to understand the factors that influence whether ED nurses perform HIV testing.

Participation Involves

- Completing a one-time 30-45-minute online survey
- Complete at 2-minute online survey evaluation

Location: Rutgers University School of Nursing
65 Bergen Street, Newark, NJ 07107

Participants may be entered into a raffle to win a \$100 Amazon gift card.

Access the survey by scanning the QR code with the camera of your mobile device.
