

PSYCHIATRIC REHABILITATION
EDUCATIONAL PROGRAM (PREP)
PRESENTS:

Trauma-Informed Care & ACEs

Presented by: Kathleen Engstrom, RN
Supervisor of Training, Ancora Psychiatric Hospital

Webinar Description:

In this webinar, a presenter with lived experience walks learners through the Adverse Childhood Experiences (ACEs) questionnaire and provides an opportunity for participants to complete their own ACE screening. We will explore how ACEs can affect long term development and discuss the importance of positive relationships and their role in building resilience.

Target Audience: All
