

# Geospatial Data Hub, Rutgers Health – RWJ Barnabas Center for Climate, Health, and Healthcare

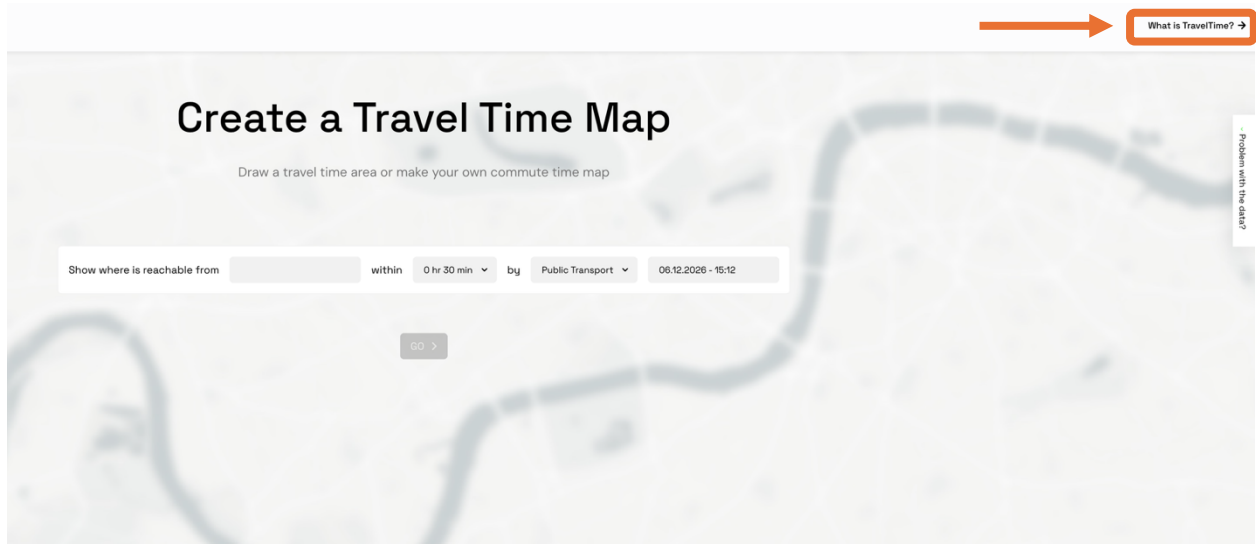

## Dataset: Travel Time

Travel Time is a paid service and is not provided by the Geospatial Data Hub, Rutgers Health – RWJBarnabas Center for Climate, Health, and Healthcare.

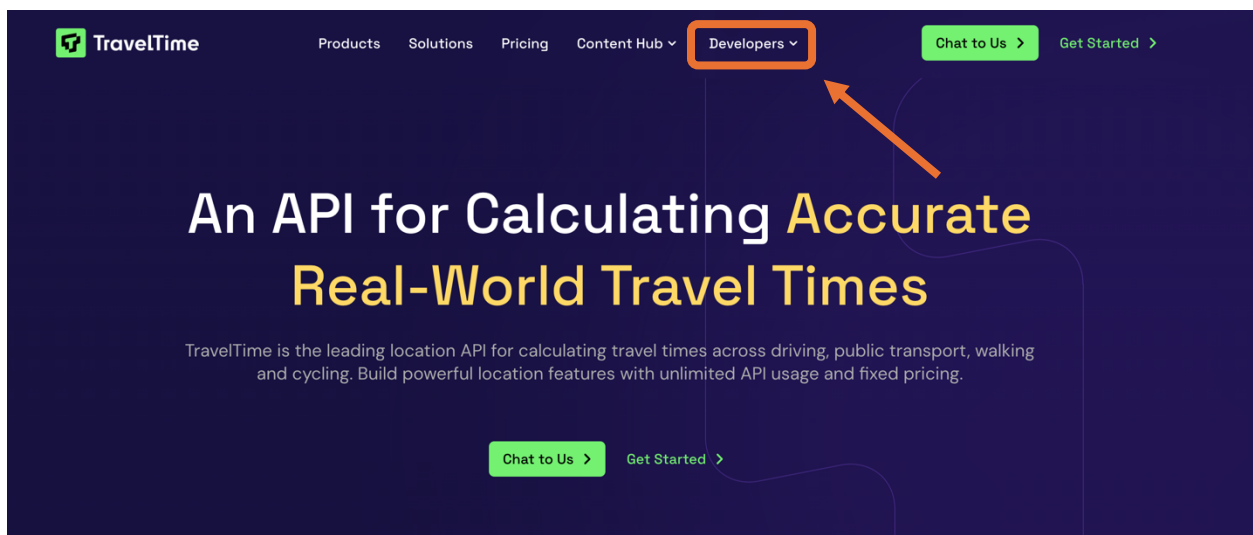

Following are the steps to access the dataset:

**Step 1:** Navigate to the link: <https://app.traveltime.com/>

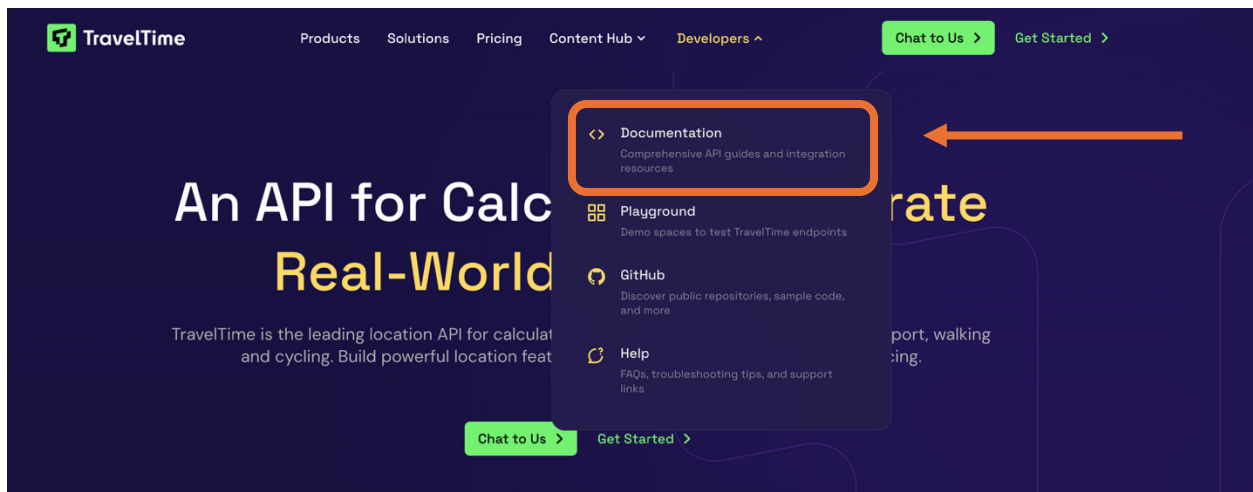

**Step 2:** Click on the top-right corner “What is TravelTime?”

**Step – 3:** Once you click on “What is TravelTime?” you will be navigated to the following web page. Click on “Developer” on the navigation bar.

**Step – 4:** In the drop-down list of options, choose “Documentation”

**Step – 5:** Once you choose “Documentation”, you’ll be navigated to a page with comprehensive API guidelines and integration resources. On this page, steps have been provided to use TravelTime API endpoints.
