**EDUCATION**

**University of Arizona**, Tucson, AZ

**PhD**, Information, expected 2019

- Dissertation: “Exploring the Long Tail of Astronomy: A Mixed-Methods Approach to Searching for Dark Data”
- Committee: P. Bryan Heidorn, Chair (UA School of Information); Steven Bethard (UA School of Information); Erin Leahey (UA School of Sociology); John Mester (UA College of Optical Sciences); Carole Palmer (University of Washington Information School)

**Clarion University of Pennsylvania**, Clarion, PA

**MS**, Library Science, August 2010

**New Mexico Institute of Mining and Technology**, Socorro, NM

**BS**, General Studies, *graduated with honors*, December 2006

---

**APPOINTMENTS**

**Rutgers University School of Communication & Information**, New Brunswick, NJ

**Assistant Professor - Library & Information Science**, tenure track (after dissertation deposit)  
September 2019 - present

---

**RESEARCH AND TEACHING INTERESTS**

- Data curation
  - Knowledge organization
  - Scholarly communication
  - Human information behavior
  - Sociology of knowledge
  - Cyberinfrastructure development

## FELLOWSHIPS AND AWARDS

- **Grant for Individual Faculty Research (GIFR)** awarded by Rutgers University’s School of Communication & Information (SC&I) (**\$4,000**): *Discovering data through text: modeling the information behavior of scientists across domains*, December 2019
- Accepted to **2019 iConference Doctoral Colloquium**, March 31 – April 3, 2019, Washington, DC
- **LEADS Fellowship** awarded by LEADS-4-NDP program and Drexel University (**\$5,000**), Summer 2018
- **SBS Summer Dissertation Fellowship** awarded by University of Arizona (\$5,000; declined award to accept LEADS Fellowship)
- **Dissertation Research Grant** awarded by University of Arizona Social and Behavioral Sciences Research Institute (SBSRI) (**\$1986**), March 2018
- School of Information **PhD Travel Grant (\$800)** awarded for travel to Library and Information Services in Astronomy (LISA VIII) conference in Strasbourg, France, June 2017
- **Research Assistantship** funded by the Astrolabe Project, through 2016 UA Accelerate for Success grant, and NSF SI2-SSE award #1642446, “Visualizing Astronomy Repository Data using WorldWide Telescope Software Systems” (**\$499,997**), 2016-2017 (*included as named personnel, participated in proposal writing*)
- Full scholarship and travel support awarded by National Optical Astronomy Observatory to attend the **La Serena School of Data Science** in La Serena, Chile, August 2015
- **Research Development Fellowship** awarded by University of Arizona Office for Research & Discovery, 2015-2016 academic year
- Support awarded by National Optical Astronomy Observatory to attend **Thirty Meter Telescope annual science forum**, June 2015

- **Graduate and Professional Student Council (GPSC) Research and Project Grant** awarded for purchase of equipment (\$1065), December 2014
-

## **GRADUATE RESEARCH EXPERIENCE**

**Research Assistant, Grant Writing Support – University of Arizona School of Information, Tucson, Arizona**

January 2019 – May 2019

**LEADS Fellow – Smithsonian Biodiversity Heritage Library**

May 2018 – September 2018

**Astrolabe Graduate Research Associate – University of Arizona School of Information, Tucson, Arizona**

August 2015 – August 2017

**Research Development Fellow – University of Arizona Office for Research and Discovery, Tucson, Arizona**

July 2015 - July 2016

**Graduate Assistant – American Astronomical Society, Tucson, Arizona**

May 2015 - August 2015

**Graduate Student Intern – Large Synoptic Survey Telescope (LSST), Tucson, Arizona**

May 2014 – August 2014

**Graduate Research Assistant – University of Arizona School of Information Resources and Library Science (SIRLS), Tucson, Arizona**

August 2013 – May 2014

---

## **TEACHING EXPERIENCE**

**Assistant Professor – Rutgers School of Communication & Information, New Brunswick, New Jersey**

September 2019 – present

- Social Informatics: Spring 2020 (hybrid)
- Human Information Behavior: Fall 2019 (online), Spring 2020 (online)

**Instructor of Record – University of Arizona School of Information, Tucson, Arizona**

June 2017 – July 2019

- Collaborating in Online Communities: Summer 2017 (online), Fall 2017 (online), Spring 2018 (in person), Summer 2018 (online), Fall 2018 (online)

**Teaching Assistant – University of Arizona School of Information, Tucson, Arizona**

August 2014 – May 2015

- ESOC 210, Hacking and Open Source Culture, Spring 2015  
(taught by Dr. Cheryl Knott)

- HNRS 150b, Exploring Electronic Presence, Spring 2015  
(taught by Dr. Victor Braitberg)
  - ESOC 150b, Social Media and Ourselves, Fall 2014  
(taught by Dr. Laura Lenhart)
  - IRLS 474/575, User Interfaces and Web Design, Fall 2014  
(taught by Dr. Martin Frické)
  - IRLS 515, Organization of Information, Fall 2014  
(taught by Dr. Martin Frické)
  - IRLS 506, Introduction to Research, Fall 2014  
(taught by Dr. Martin Frické)
- 

## PROFESSIONAL EXPERIENCE

**Writer and Web Editor - The Santiago Times**, Santiago, Chile,  
May 2012 – January 2013

**Document Specialist, System Engineering - Atacama Large Millimeter/submillimeter Array**, Santiago, Chile, February 2012 - July 2012

**Technical Writer and Documentation Specialist, ALMA Back End IPT - National Radio Astronomy Observatory**, Socorro, NM, USA, January 2007 - August 2011

**Assistant Circulation Supervisor - New Mexico Institute of Mining and Technology Joseph R. Skeen Library**, Socorro, NM, USA, August 2001 - March 2007

---

## ACADEMIC SERVICE

- Reviewer, *Libraries in the Digital Age 2020* conference
  - Reviewer, *iConference 2020*
  - Member, WorldWide Telescope Advisory Board, 2017-present
  - Contributor, Unified Astronomy Thesaurus Steering Committee, 2016-2018
  - Contributor, Astrolabe Advisory Board, 2016-2018
