Subject: Resolutions of the Newark Faculty Council (5/29/13)

On behalf of the 2013-2014 Newark Faculty Council, I submit to you for consideration the following resolutions endorsed by the NFC on May 29, 2013. We look forward to your response.

Resolution 1: AAU Membership

Whereas President Barchi pledged at the Newark Faculty Town Hall meeting on 2 May 2013 to clarify to the Association of American Universities that the New Brunswick, Newark, and Camden campuses all belong to the AAU as constituting one Rutgers University, as has historically been the case:

The Newark Faculty Council endorses the request that the President follow through with the AAU directly on this pledge.

Resolution 2: Budgetary Equity and Transparency

Whereas as a public institution we have a right to full transparency in the public interest:

The Newark Faculty Council endorses a request to President Barchi to provide complete budgetary and historical data to clarify the bases for equitable campus funding.
