

The NJMS Occupational Medicine Service is offering free flu vaccinations for RBHS-Newark employees weekdays, 7:30 am to 4:00 pm, in SSB/GA-167 while supplies last, no appointment needed.

The flu vaccinations at University Hospital will begin the last week of September and will include its attending and resident staff.

Please contact Occupational Medical Service (OMS) in Newark for further information on obtaining flu shots: 973-972-2900.
