Register to attend in person by November 6th 2025

Poster abstract deadline EXTENDED to November 6th 2025

Posters can be on any scholarly climate change or energy research.

The Rutgers Climate Symposium fosters collaboration among researchers and students across all disciplines from institutions in the Mid-Atlantic region who are interested in climate change, renewable energy, energy efficiency, or other approaches to reducing greenhouse gas emissions.

Symposium **FREE** for students, faculty and staff of academic and research institutions. Complete details at ruclimatesymposium.rutgers.edu.

Rutgers Climate Symposium is made possible through the generous support of the Frank Sposato Memorial Endowment.
