

Rutgers Climate Symposium 2026

Sowing Change: Rethinking Farming in a Climate and Energy Transition

Nov 18, 2026 | Douglass Student Center
100 GEORGE ST. NEW BRUNSWICK

The Rutgers Climate Symposium fosters collaboration among researchers and students across all disciplines from institutions in the Mid-Atlantic region who are interested in climate change, renewable energy, energy efficiency, or other approaches to reducing greenhouse gas emissions.

FREE for students, faculty and staff of academic and research institutions.

ruclimatesymposium.rutgers.edu

Posters can be on any scholarly climate change or energy research.

Poster abstract deadline is November 9th 2026.

Register by November 12th 2026.
