Sophomores: Get ready to get a *Jumpstart* on your transition to *Junior Year* with the an upcoming series of programs covering topics like:

- academic eligibility & fall advising
- study tips for junior courses
- clinical clearance requirements
- simulation lab tours
- meet your program director
- uniform fittings

Keep an eye out for future messaging about the Jumpstart Your Junior Year program starting in March!

SUMMER SESSION IS LIVE TO REGISTER

Summer session is an opportunity for students to either retake courses, such as Anatomy & Physiology or Microbiology, or complete another course requirement ahead of schedule.

When deciding on a summer course keep in mind they are longer classes, that meet multiple days a week for roughly 7 weeks. They are also an additional cost outside of your standard fall/spring tuition bill. It's important to meet with your advisor before registering for a course over the summer. The deadline to register is the day before the class begins.

For more information please visit the websites listed below:

Newark Summer Session: <https://summer.newark.rutgers.edu>

New Brunswick Summer Session: <https://summerwinter.rutgers.edu>
