What do I need with me everyday?

¿Qué necesito llevar conmigo todos los días?

- Warm clothing. **WARM CLOTHING IS SAFETY GEAR.**
- Safety vest & gloves.
- Sturdy shoes. (Boots or other shoes with thick soles).
- Snacks & Water.
- Cellphone (fully charged).
- Wallet with identification.
- Medication needed for the day (insulin, epipen, heart meds etc.)

What tools should be in my tool kit?

¿Qué herramientas deberían estar en mi caja de herramientas?

- Bolt cutter
- 2 hori horis
- 2 handsaws
- 1 scissor or knife
- 1 stapler gun
- 1 measuring tape
- 1 post pounder
- 2 shovels
- 2 rakes
- Irrigation bags
- Arbortie
- 1 Wheelbarrow

A Quick Tutorial on Container Tree Planting

Tutorial para plantar árboles en macetas

- 1) Remove all plastic from the stem and branches of the tree.
- 2) Tip the tree on its side and squish the container.
- 3) Gently pull tree out of container (watch the crown!).
- 4) Root pruning and root correction (Very different from ball and burlap!).
- 5) Measure hole and place tree inside.
- 6) Cover with backfill and soil amendments.
- 7) Add stakes, arbortie, and bag.
- 8) Water thoroughly.

The Two Mantras for Planting

Dos frases para recordar

- 1) WARM CLOTHING IS SAFETY GEAR.
- 2) IF YOUR FEET ARE IN THE STREET, YOU ARE DOING SOMETHING WRONG.
